Re: Parks and Recreation scholarship for BNHS students
Parks and Recreation Board Meeting, October 15, 2018

Agenda Item:

Discuss and provide input on creating a Parks and Recreation Scholarship for seniors attending Byron Nelson High School (T. Jaramillo).

Background and Explanation:

Discuss the possibility of offering a scholarship to a high school senior at Byron Nelson High School; discuss various prerequisites in order for the student to be awarded the scholarship.

Financial Considerations:

The Parks and Recreation department would like to offer a \$1,500 scholarship to a senior at Byron Nelson High School accepted at a college or university. This would be a Park and Recreation expenditure of \$1,500 per year.
